

# Certificate of Employment including testimonial

This letter is to confirm that Jonathan Lindqvist, national ID Number [REDACTED], has been employed as summer worker by the PDU Packet Core, Ericsson AB in Gothenburg during the period 2019-04-29 to 2019-10-31.

PDU Packet Core make the networked society possible by developing nodes to the mobile core network.

Jonathan has served as developer and has worked in a team which develops a continuous integration tool used by Ericsson. Jonathans main contribution has been development of a service which monitors the usage and performance of the continuous integration tool. Jonathan has also helped the team with programming on other tasks.

Jonathan has performed his tasks and work with considerable care and great interest, and it is with pleasure that we recommend Jonathan.

ERICSSON AB
